Facebook: <https://www.facebook.com/profile.php?id=100000468114127>

I have over 10 years of experience in business management and building working business systems. Managed the construction of two large IT start-ups . For the last year I have been actively developing web applications. I have experience front-end (HTML, CSS, JQuery) and a backend using PHP (Laravel).

Skills

OS: Windows, Linux based OS.

Programming languages: PHP, Javascript , HTML5, CSS 3.

DBMS: MySQL.

Technologies: AJAX, JSON, XML, OOP, MVC, REST API.

CMS, Frameworks : React, Laravel , jQuery, Wordpress

work experience

From 06.2021 to present Full - stack developer LLC "Savika", freelancer .

09.2015 - 06.2021 - Director of Perspektiva M LLC

Bakery production TM " Desertikoff "

09.2014 – 06.2015 – Director of Carbon Trading LLC

Charcoal production

09.2013 – 09.2014 - Project and program manager of Starfish-coupon LLC

Development and implementation of IT start-ups

Main tasks:

- Site launch www.starfishkupon.com__

- Site launch www.id-bonus.com__

- Launching a mobile application; - Performing a number of outsourcing tasks;

- Building a company from scratch (business, accounting, finance, personnel, sales).

In the process of work, I signed contracts with companies: Kyivstar , Intertelecom , Qiwi , the transnational company Celltick , Vygoda.ru , Factory of Grocery Products (TM Zhmenka), Organic Standard .

Found representatives in Russia, Kazakhstan, Belarus.

Result: The company became the largest supplier for Celltick in the CIS, in Russia and Ukraine about 70,000 transactions per month.

07.2012 - 09.2013 -Director of " Live " LLC Web Services »

Development and implementation of Internet projects

- Website launch www.livekupon.com

- Organization of the company from scratch (business, accounting, finance, personnel, sales); - Launch and control of the Moscow representative office; - Holding meetings in Ukraine and Moscow;

Result: a fully launched company, moving the company from market position 50 to position 9 in half a year. New principles were laid down for launching a new project.

07.2010 – 01.2012 - Project and program manager of Greenko -Kyiv LLC
Removal and disposal of municipal solid waste

since 2006 - 2010 - work in banks ranging from a manager for lending to small and medium-sized businesses to a regional manager for working with small and medium-sized businesses in Central Ukraine, JSCB " Ukrsotsbank "

Education
